OUR SIGNATURE SERIES

The Royal Element 120 Min

Begin in a steamy bath drawn in our signature copper tubs. While you are enveloped in a warm soak you will be detoxified with Dead Sea Salts, Epsom Salts and Organic Geranium. The combination will prep your skin for the decadent sugar exfoliating treatment, which will take place in the privacy of the same luxurious room. Finally, to complete this service fit for royalty; you will receive a customized full body massage with the intoxicating soft scent of pineapple in rich body butter. You will never want this treatment to end! \$240

Signature Revitalizing Facial 90 Min

There are moments in life where ones future is changed forever. This 90 minute facial will not disappoint if you are looking to reinvigorate the youthful look of your skin. Using the power of microcurrent to lift and firm, you will find there is a non-invasive way to reverse gravity's pull (and it will be our little secret)...\$190

FireSky Manicure | Pedicure 50 Min each

All we ask is for you to pick a polish and we will take it from there. With a luxurious soak, scrub and massage to hydrate, you will be melting by the end. Warning: common side effects are increase in hand gestures and desire to be barefoot. If you do notice these effects fading, call to schedule your next appointment\$55-\$70
